Science Study Centre

Dear Parent or Carer,

Fort Street High School's Science Study Centre will be operating each week throughout the year in the School Library at the following times:

Monday 3:15pm – 4:15pm

The Science Study Centre is supervised by a science teacher and provides a quiet and supportive working environment for all year 12 HSC Science students. Participating students may use their time in the Science Study Centre to complete Science Study or assignments or work collaboratively with their peers. The supervising teacher will be available to help with questions and provide advice for Physics, Chemistry, and Biology.

The purpose of the service is to support students in their learning and attendance is dependent on being prepared and actively engaged in their school work throughout the Science Study Centre session.

Students must be either collected promptly from school or make their own way home at the conclusion of the Science Study Centre session. No supervision will be provided after 4.15pm.

Occasionally a Science Study Centre session may be cancelled on the day due to staff illness or absence due to other professional duties. In this case, students will be required to go straight home at 3.12pm.

Attendance at the Science Study Centre is subject to the return of the permission slip attached.

Yours sincerely,

B. Webb
Head Teacher Science

D. Osland
Reliving Principal

Science Study Centre Consent Form

Student's Name: _____

I hereby consent to my child attending the Science Study Centre on Monday afternoon.

I understand that one of the conditions of attending the Science Study Centre is that my child is picked up by 4:15pm or has permission to make their own way home. I understand that students who are not actively engaged in their school work or constantly disturb other students may be asked not to attend.

Relevant medical conditions/ allergies/ other circumstances: _____

Signature of Parent or Carer

Date

The personal information provided on this consent form is being obtained for this session only. This information will only be used in relation to the welfare of students.
